### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Cancel nonelected claims 11 and 12.

The Examiner notes for the record that there may be some confusion regarding which nonelected claims are still pending in the present application, and hopes that the following statement may remove any ambiguity which may exist. In a restriction requirement of October 31, 2002 which was based upon non unity of invention applicant elected claims 8-10 from the pending claims of record 1-12. Applicant in his Response of November 8, 2002 contested the Examiner's restriction requirement only as regards the fact that claim 7 was not included with the elected claims, but the Examiner did not find his arguments to be persuasive, and accordingly examined claims 8-10, along with two newly submitted claims inadvertently numbered as claims 11 and 12, which were renumbered as claims 13 and 14. Subsequently claims 1-7 were cancelled in the Response dated July 10, 2003, but not the originally nonelected claims 11 and 12. During later prosecution applicant received a BPAI decision allowing all the elected claims (8-10, 13, 14) in his favor, and as the Examiner is now allowing the application it is necessary to cancel nonelected claims 11 and 12, which since their specific

restriction was not contested by applicant the Examiner may cancel these claims on his own volition, which is hereby done.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel Zirker whose telephone number is 571-272-1486. The examiner can normally be reached on 5-4-8:30-6:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Terrel Morris can be reached on 571-272-1478. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
